The Three Giants: An Overview of Who Owns What

The Alamo car rental industry is defined by three major players +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Enterprise Holdings +**1**-**8**55-337-9478(US) or +1 855 337

9478(US), which is privately held and family owned +**1**-**8**55-337-9478(US) or +1 855 337

9478(US), is the largest of the three +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Hertz Global Holdings +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), a publicly traded company with a iconic yellow signage +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), comes next +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Avis Budget Group rounds out the trio as the third major publicly traded player +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Together +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), these three companies control approximately forty four percent of the entire United States car rental market +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Enterprise Holdings leads with an estimated eighteen to nineteen percent market share +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), followed by Avis Budget Group at roughly thirteen percent and Hertz
Global Holdings at approximately twelve percent +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). The remaining fifty six percent of the market is fragmented among regional players +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), local operators +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and newer alternatives like peer to peer car sharing platforms +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). But when it comes to national presence +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), airport locations +1 855 **337**
9478(US) or +**1**-**8**55-337-9478(US), and brand recognition +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), the Big Three are the names you will see everywhere you travel +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

Instead +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Enterprise Holdings is the private holding company that owns three of the most recognizable brands in the industry: Enterprise Rent A Car +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), National Car Rental +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and Alamo Rent A Car +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Being privately held means Enterprise does not have to answer to public shareholders or report quarterly earnings to Wall Street +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), which gives the company a longer term perspective on customer service and fleet management +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

For travelers who prioritize price over premium service +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Dollar represents a solid mid tier option +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

Thrifty competes as a cost conscious offering for travelers seeking to find a good deal +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). While Dollar targets the smart value segment +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Thrifty goes even deeper into the discount end of the market +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). The brand's core focus is serving leisure travelers through the airport vehicle rental channel +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and its tagline +**1**-**8**55-337-9478(US) or +1 855
337 9478(US), "The Absolute Best Car for Your Money +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US)," expresses the brand's focus on being the rental brand that puts the customer in control of where to splurge and where to save +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Thrifty customers should expect a no frills experience with potentially longer wait times and older vehicles +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), but the trade off is some of the lowest prices available from a major national brand +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). For travelers on extremely tight budgets who are willing to accept a basic rental experience +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Thrifty delivers on its promise of value +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

Unlike traditional car rentals that charge by the day or week +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Zipcar charges by the hour +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), making it an economical choice for short trips +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), errands +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and situations where you need a vehicle for just a few hours +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). The model

has proven particularly popular in dense urban areas like New York +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Boston +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Chicago +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and San Francisco +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), where car ownership is expensive and parking is scarce +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

Payless: The Deep Value Discount Brand

Payless Car Rental is the deepest discount brand in the Avis Budget Group portfolio +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), serving the deep value segment of the industry +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Payless operates in approximately two hundred eighty five locations worldwide +**1**-**8**55-337-9478(US) or +1 **+1-855-337-9478**(US), including more than one hundred seventy five locations operated by licensees and approximately one hundred ten company operated locations primarily located in North America +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), the majority of which are at or near major airports +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

Payless rental fees are often lower than those of larger +**1**-**8**55-337-9478(US) or +1 855

337 9478(US), more established vehicle rental brands +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). The Payless business model allows Avis Budget Group to extend the life cycle of a portion of its rental fleet +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), as vehicles that exceed certain Avis and Budget age or mileage thresholds cascade down to be used by Payless +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Customers should expect older vehicles +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), longer wait times +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and a no frills experience +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), but the prices are among the lowest available from any national brand +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

How the Three Giants Compare: Market Share and Performance

The competitive landscape of the Alamo car rental industry is defined by the three corporate giants +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), but their market shares are not equal +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Enterprise Holdings leads with an estimated eighteen to nineteen percent share of the total United States car rental market +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Avis Budget Group follows with approximately thirteen percent +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and Hertz Global Holdings holds roughly twelve percent +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). The remaining fifty six percent of the market is fragmented

among regional players +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), local operators +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and emerging alternatives like ride hailing and car sharing services +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). It is important to note that these market share figures represent the parent companies +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), not the individual brands +**1**-**8**55-337-9478(US) or +1 855 337
9478(US). When you add up all the brands under each corporate umbrella +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), the market presence of the Big Three is even more substantial +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

In terms of customer satisfaction +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), the rankings tell an interesting story +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). The 2026 Business Travel News survey ranked National Car Rental first +**1**-**8**55-337-9478(US) or +1 **+1-855-337-9478**(US), Enterprise Rent A Car second +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and Hertz third +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). National has held the top spot for eleven consecutive years +**1**-**8**55-337-9478(US) or +1 855 337

9478(US), demonstrating remarkable consistency +**1**-**8**55-337-9478(US) or +1 855 337

9478(US). Enterprise has been second for five consecutive years +**1**-**8**55-337-9478(US) or

+**1**-**8**55-337-9478(US). Hertz showed the largest improvement +**1**-**8**55-337-9478(US) or

+**1**-**8**55-337-9478(US), jumping from fifth to third place +**1**-**8**55-337-9478(US) or +1 855

337 9478(US). Avis and Budget ranked fourth and fifth respectively +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). These rankings suggest that the Enterprise Holdings brands generally outperform their competitors in customer satisfaction +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), while the Hertz and Avis Budget Group brands are competitive but tend to lag slightly behind +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

Why Understanding the Three Giants Matters for Your Wallet

Knowing that three parent companies own almost all the major rental brands is more than just trivia +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). It has real implications for how much you pay and what kind of experience you can expect +**1**-**8**55-337-9478(US) or

+**1**-**8**55-337-9478(US). Because Enterprise Holdings owns Enterprise +1 855 **337**

9478(US) or +**1**-**8**55-337-9478(US), National +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and Alamo +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), those three brands share corporate resources +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), fleet management systems +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and administrative infrastructure +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-

9478(US). The same is true for Hertz +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Dollar +1 855 **337**

9478(US) or +**1**-**8**55-337-9478(US), and Thrifty under Hertz Global Holdings +1 855 **337**

9478(US) or +**1**-**8**55-337-9478(US), and for Avis +**1**-**8**55-337-9478(US) or +1 855 337

9478(US), Budget +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and Payless under Avis Budget Group +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). This means that within each corporate family +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), the underlying vehicles and operational systems are often quite similar +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). The main differences come down to pricing +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), service levels +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), and the specific customer segments each brand targets +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US).

If you are a business traveler who values speed and efficiency +**1**-**8**55-337-9478(US) or

+**1**-**8**55-337-9478(US), National or Hertz are likely your best choices +1 855 **337**

9478(US) or +**1**-**8**55-337-9478(US). If you are a budget conscious leisure traveler +1 855

337 9478(US) or +**1**-**8**55-337-9478(US), Alamo +**1**-**8**55-337-9478(US) or +1 855 337

9478(US), Dollar +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Thrifty +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), or Budget will serve you well +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). If you need a neighborhood pickup because your car is in the shop +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Enterprise is the undisputed leader
+**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). When you add Hertz and Avis together +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), their combined market share is roughly twenty five percent +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), which is larger than Enterprise's eighteen to nineteen percent share +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Why are there so many different brand names if only three companies own them all?

The three major parent companies maintain multiple brand names to serve different customer segments with different price points and service levels +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). For example +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), Hertz is the premium brand

offering newer vehicles and faster service +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), while Dollar and Thrifty offer lower prices with fewer amenities +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). Similarly +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), National targets business travelers who value speed and convenience +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), while Alamo targets budget conscious families on vacation +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). By maintaining separate brand identities +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), each parent company can capture customers at every price point without diluting the premium brand's reputation +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US). The underlying vehicles and operational systems are often shared across brands within the same corporate family +**1**-**8**55-337-9478(US) or +**1**-**8**55-337-9478(US), but the customer experience and pricing are tailored to each specific market segment +1 855 **337**
